

13.03.2006

Compatibility declaration between Alu Rehab AS and Alber.

Alu Rehab AS is the manufacturer and supplier of Netti wheelchair.
Alber is the manufacturer and supplier of Scalamobil, e-fix, viamobil and e-motion.

Alu Rehab AS and Alber have together with their product range, made a authorized solution for combined use, described in mounting descriptions.

Alu Rehab AS confirms that the above mentioned Alber products can be assembled to these Netti wheelchair models. The compatibility of these products is tested both by Alu Rehab AS and Alber.

The company customers have to apply to Alber for buying the drive unit, and Alu Rehab for the wheelchair.
